

To Whom It May Concern

Re: Lifeng Zhang Reference Letter

It is with great pleasure that I am writing a reference for Lifeng Zhang.

I have known Lifeng for 19 month now (since Feb. 2010) and our business relationship developed once I started my own carpet cleaning business. Lifeng established all my business details, including resisting my company, ABN, GST etc).

In this time I have found Lifeng to be reliable, trustworthy, professional, easy to relate to and conscientious.

I the beginning I was extremely naive in regards to business tax matters but Lifeng was patient and considerate in explaining tax affairs in detail and establishing ways in which my tax affairs were in order and easy to maintain.

If at any point I was unsure of any details Lifeng was just a phone call away and was never too busy to accommodate my needs.

I would highly recommend Lifeng for any of your accounting and tax purpose.

The major tax jobs completed for by Lifeng including the follows:

- Business ABN, TFN, GST registration;
- Quarterly business activity statement completed from Feb - March 2010 quarter untill April - June 2011 quarter;
- 2011 company tax return;
- 2011 personal tax return;
- Advice on tax related matters.

Regard,
